The central panel features a large graphic of a device with connected lines and the heading 'Let's get started with IBM Watson IoT Platform'. Below this, a section titled 'Ready for the next level?' introduces the 'IBM Watson IoT Platform Journey' with three options: 'Lite', 'Non-Production', and 'Production'. Each option includes a brief description of the service plan. The 'Lite' plan is marked as 'Free', while the 'Non-Production' and 'Production' plans are marked as 'Starts at \$500 per month' and 'Includes IBM Service & Support' respectively. The bottom of the screen shows a Windows taskbar with various application icons and the system clock indicating 02:43 PM on 11-11-2022.
